

## EE Learning Plan Template<sup>1</sup>

The Learning Plan is an opportunity to actively engage in setting objectives regarding the things that you would like to learn and skills that you would like to develop while doing EE activities in the community or in the workplace. It is also intended as a document that will help you reflect on your experiences.

	<b>Learning Objective</b> (This is what I want to learn)	<b>Rationale</b> (This is why I want to learn it)
